For inflamed Eyes -

2 Teaspoon's full of Brandy  
1 of Vinegar

2 Tablespoon's full of Spring Water

Bathe the Eyes frequently with  
a bit of very fine old Linen

Mrs. Wadde  
Leakeston

Put into an Earthen Jar in  
the oven two nicely cleaned  
Calf's feet with 2  $\frac{1}{2}$  Pints  
of water & let them remain  
till reduced to one half.  
& when cold take off the  
fat. Wash 2 large Lemons &  
suck out all the juice with  
lumps of sugar & add what  
will make the whole very  
sweet. Then mix a pint of  
Starch & do of cream & boil  
ten minutes mix the whole  
and when nearly cold add  
the juice of the Lemon very  
carefully & quickly let the  
cream & starch & just the  
whole into moulds

Miss Shultz has found a Remedy  
in the present form Venetia -  
Dr. Tucke has written a pamphlet  
upon it, & induced Miss L. to try  
& the effect has been extraordinary  
& it is much used for the toothache.

For Weakness.

---

Ward's  
Receipt

The yolk of a hen laid egg,  
beat up with three large spoonful  
of rose water, mix them well in  
half a pint of new milk, sweeten  
it with syrup of capillaries, grate  
into it a little nutmeg, and take  
this every morning fasting, for a  
month. — Leave it off for a short  
time, and if it has been of use,  
take it another month.

---

For Inflammation on the Chest  
or Wind-pipe.

---

Take six, or eight Laurel leaves,  
soil them a quarter of an hour in a  
pot of water, and then inhale the vapour  
through a funnel placed over a  
jar.

For a Fomentation for an infla-  
mation of the Joints. Nine Laurel  
leaves may be added to the same  
quantity of water.

---

Mr. Gipson's Prescription.

Johnst. Oct. 1<sup>st</sup> 1829. -

---

Direction for the Capillary

"A. & J. G. Grindley,  
Makers of  
Capillary, Peppermint & Sweetened  
Arid of Lemon, (for Lemonade &c)

Brooke Street

Golborne,

Jordan."

---

2 grains of calomel, 10 grains of rhubarb, 20 drops  
of laudanum with 2 oz of water.

If the complaint continues after this, take  
1/4, of a oz of prepared chalk, 30 drops of laudanum,  
2 table spoonful of brandy, 8 oz of water, take  
two table spoonful every 3 hours.

To liver complaint

2 oz of daonchion roots freshly dug up, &  
well washed, but not scraped, & 2 oz of liquorice  
roots, boiled together in a pint of water till it  
simmers down to a pint, begin with a wine glass full  
a day, & get on to 2. It ought to be persevered in for  
months, as it is only an alternative.
